I have drifted along the rivers  
Now I've found my destiny  
Of my sins, I can be delivered  
I have felt, I've caused this dream

Dying like September  
Fear didn't wait on me  
Cold wind of November  
Running through me

Heart of darkness can mess up our lives  
Strangling the love of my life  
Now I'm lying dead, can't run, cannot hide  
Driven by demons of lust

Love is said to kill you  
Love is surely known to kill  
Flying high, the end of school  
And it's time to pay the bill

Dying like September  
Running away from me  
Freezing wind of November  
Blowing inside of me

Heart of darkness can mess up our lives  
Strangling the love of my life  
Now I'm lying dead, can't run, cannot hide  
Driven by demons of lust

Heart of darkness can mess up our lives  
Killing the love of my life  
Now I'm lying dead, can't run, cannot hide  
Driven by demons of lust

As all I need, just one more time  
I'll be gone eternally  
Someday in another life  
My heart may find this peace, oh yeah  
Oh yeah, yeah

Heart of darkness can mess up our lives

Strangling the love of my life  
Now I'm lying dead, can't run, cannot hide  
Driven by demons of lust

Heart of darkness can mess up our lives  
Killing the love of my life  
Now I'm lying dead, can't run, cannot hide  
Driven by demons of lust

Heart of darkness, oh, no, no  
Oh, it's strangling the love of my life  
Heart of darkness  
Yeah, driven by demons of lust

Heart of darkness  
Strangling the love of my life  
Heart of darkness  
Oh, it's killing the love of my life

Heart of darkness  
Driven by demons of lust  
Heart of darkness
