I was raised in church
Dad wouldn't have it any other way
And it helped more then it hurt, but women and
whiskey both led me astray
And I got my share of Demons
I can not seem to shake them off my back
And I've had my share of Demons point their fingers
and tell me what I lack
And I'd rather be, a slave again then free, I suppose
I'm the King of all sinners.
I've tried to be a saint, Heaven knows
I've sang "There's Power in the Blood of the Lamb"
And I've held the Devil's hand
I've been blessed by fire
A simple kiss drove my innocence away
If my addictions were my choir, the singing helped me
make it thru the day
And when they would not sing, a (would) push me to
the ground
With all my suffering, I'm the Patron Saint of Never
Being Down
And I'd rather be, a slave again then free, I suppose
Well I'm the King of all sinners
I've tried to be a saint, Heaven knows
I've sang "There's Power in the Blood of the Lamb" and
I've held the Devil's hand

I'd rather be, a slave again then free, I suppose
I'm the king of all sinner, I've tried to be a saint,
Heaven knows
I've sang "There's Power in the Blood of the Lamb"
And I've held the Devil's hand

There is power, power, wonder working power in the
blood of the Lamb
There is power, power, wonder working power in the
precious blood of the Lamb
There is power, power, wonder working power, in the
blood of the lamb
There is power, power, wonder working power in the
precious blood of the lamb

And I'd rather be, a slave again then free I suppose
Well I'm the King of all sinners
I've tried to be a saint, Heaven knows
I've sang "There's Power in the Blood of the Lamb"
And I've held the Devil's hand
I've sang "There's Power in the Blood of the lamb" and
I've held the devil's hand
