I've seen love come  
I've seen love go  
Sneak it's way in  
Then just leave out the door  
Tearing hearts 'til they're inside out  
Love turns to hate  
From a friend to a foe

I'm on the road, I'm on the run  
Won't let the devil get my heart  
Once rode me like a slave gave me  
Nothing in return

Tie your souls together  
And surrender prisoners  
True lovers  
Say it's in the air  
Enjoy the ride, you prisoners  
True lovers

I was yours  
You were mine  
We promised, 'til the end of time  
But then one day, before you know  
It's over  
All gone  
Not there anymore
