Staring into darkness  
Gazing through blood red eyes  
At the dark horizon  
Praying for the wind to rise

The Captain's born a gambler  
To defy his destiny  
But now he's standing stranded  
With nothing left but will to live

[Refrain:]  
As his ship is scattered on the shore  
His fortune washed away  
Behind those all-seen eyes he knows  
He's about to die in vain

Go find the secrets of the world  
Beyond the raging oceans  
Sail past the point of no return  
The point of no return

Will he try to drift away  
When he knows his time's at hand  
To be heaved back ashore  
To rags and bones in burning sand

[Refrain]

[Refrain 2:]  
Go find the secrets of the world  
Beyond the raging oceans  
Sail past the point of no return  
Trusting the wind to never turn

[Refrain 3:]  
Go find the secrets of the world  
Riding the winds of glory  
Sail past the point of no return  
The point of no return

As his ship is scattered on the shore  
His fortune washed away

Envyng his luck-charmed life  
The devils of winds cursed his sails

[Refrain 2]

[Refrain 3]

The point of no return...
