See, there comes a time in every  
Man's life when he's got to fall in love,  
And he's got to find the right woman,  
And I think I found it in you

Woke up this morning to breakfast in bed  
The coffee was hot  
Them eggs I got was right, so right

Girl I gotta tell you, you're just too good for me  
Oh, the things that you do makes it easy lovin you,  
Even a blind man can see.

Every night I get own on my knees  
And give thanks for you  
And the things that you do,  
Cause only a fool would let go of you.

Chorus  
Lovin you is so easy for me to do  
It's like ABC-123  
I'm lovin you, girl  
Just keep lovin me

Drivin in my car I see somethin  
That will look good on you  
Said I can't ignore it  
But Hell, I can't afford it  
What's a simple man like me to do

If you should ever leave me  
I'd go out of my mind  
Cause I want you, and I need you  
I don't want to be wastin my time

Every night, I get down on my knees,  
And give thanks for you,  
The things that you do,  
Cause only a fool would let go of you

Chorus

From the bottom of my heart...  
It's like ABC, simple as 123...

Said I feel some love comin on  
Said I can feel it  
Way down deep in my bones

I want to shout it out loud  
From the mountin tops  
Said I got to let you know  
That I'm never gonna let you go

Together, Together, oh, baby...

Want to give you my love  
Want to give you my time  
Then I want to keep comin'...  
I want to make you mine

Yeah, yeah, baby girl  
Baby girl...  
Don't want to stop lovin you  
That's all I ever want to do

I love you  
I give you all my lovin' baby  
It's so easy for me...  
I'm lovin you  
So just keep lovin me
