The remix  
Slabba Ranks  
Dr Dru Little  
Every rhyme I write

[CHORUS]  
Every verse you hear  
Every verse you hear is...  
Spitacular!  
Every Show we do  
Every show we do is...  
Spitacular!  
Every rhyme we write  
Every rhyme we write is...  
Spitacular

[Thirstin]  
Fall back  
Fake forward  
Play catch with flame throwers

[Rack-Lo]  
Spitaholic  
Climb like aircrafts  
You half-stepping with one foot in the grave  
With a toe tag

[Thirstin]  
Polo Rican  
Fair breed  
Spitbox a height-weight advantage  
Compare reach

[Rack-Lo]  
Throw knock-out blows  
Spitacular scrolls  
Throw Rack-Lo into office at the po's

[Thirstin]  
Title bout or joust  
Grudge match in a swordfight to the death

All I lost was my mustache

[Rack-Lo]

Oxygen mask  
Physical fitness  
Top of the ranks  
Race before start of the pistols  
Bust on blanks

[Thirstin]

Yo (back up) end it with an intro  
Hard heads usually made of brimstone  
Crossover rappers pay a bridge toll  
No re-entry  
How's that rap built with proof of rent/lease

[Chorus]

Every rhyme we write  
Every rhyme we write (is..Spitacular!)  
Every show we do  
Every show we do (is...Spitacular!)  
Every verse we spit  
Every verse we spit (is...Spitacular!)  
Every show we do  
Every show we do (is...Spitacular!)

[Rack-Lo]

Yo tell em what war it is  
[Thirstin]When there's more people on stage than in  
the audience  
Backstroke  
Sports Skillustrated  
Stanley cup drink the spitsquad  
And we celebrated

[Thirstin]

Flow with Jordan's handle  
License cancelled  
Word phelgm  
Drool in ball point pen

[Rack-Lo]

Break speed limits  
Break bread  
Break fool  
Rhyme like its 2020 but I'm old school

[Thirstin]

I make a  
Greatest hits album of only skits  
Get on stage at Apollo

Boo the audience

[Rack-Lo]

Standing ovation

Main event

CPR medical attention for a rap superstar

[Thirstin]

Spittin like this

Violence priceless

Use the turntable arm to make a Ice pick

[Rack-Lo]

Survival of the skillest

Hip Hop B-Boys

Carried the world on my shoulders without steroids

[Chorus]

Every verse you hear

Every verse you hear is...

Spitacular!

Every rhyme I write

Every rhyme we write is...

[Rack-Lo]

Tombstone

Welcome to the terrordome

Suplex neckbrace

Triple across face

[Thirstin]

Your murder's on time

In thug life

More rappers talk about today and just-ice

[Rack-Lo]

Grand finale

President's pledge

Wide eyed like I met Dr Kervorkian in the walking dead

[Thirstin]

Debonaire

Daring

Distinctive

Blood flow flooded with old english

[Rack-Lo]

Mayday mayday

Abandon ship

Correspondents need lifesavers

Because life's a bitch

[Thirstin]

Live at the barbecue 2

I'll bring charcoal

Edie Chacono holding hands with Charon

[Rack-Lo]

Bottom line

Dag MCs to the end of the earth

And throw 'em off the ??Cloak??

Every rhyme we write is...

Every show we do

Every show we do is...
