Today you told me that I'd hate you forever
I can't believe what's really goin' on
Somehow I knew that you felt guilty for something
But tell me why you'd do this to me?
Today you told me that I'd hate you forever
I can't believe that you wrecked my life

I was betrayed, how can you say that you feel sorry
inside?
It's devastatin', losin' close friends
I've gone away, you made me stay but I can't tell it
from lies
I've gone insane, losin' close friends

Today I made the worst mistake
I put my trust into someone I don't know
And now I know because you've done everything
possible to me
Made me so upset
And now I know just who to trust because you're layin'
in bed
You're thinkin' 'bout all that fucked up shit

I was betrayed, how can you say that you feel sorry
inside?
It's devastatin', losin' close friends
I've gone away, you made me stay but I can't tell it
from lies
I've gone insane, losin' close friends

I'm so weak
The closeness of your skin
The smell of this place
Makes me go insane

I
You make me go insane
You make me go insane
You make me go insane
You make me go insane

I was betrayed, how can you say that you feel sorry

inside?
It's devastatin', losin' close friends
I've gone away, you made me stay but I can't tell it
from lies
I've got insane, losin' close friends

Losin' close friends
Losin' close friends
Losin' close friends
