It seems that we're only chasing after  
The hopes and the dreams we had.  
We don't trust ourselves in the present  
So we linger on to the past.

Let's go!

I've bled it out for the sake of moving forward.  
I did it all in the name of promise.  
We said we'd never give in.  
Yet your hearts has been changing it's way.  
We said we would never give in

Forever isn't long enough when we speak about trust.  
I feel it slipping away.  
Forever isn't long enough when we speak about the  
love.  
It's all slipping away

We fought the battles and the obstacles in our way.  
But this struggle seems to get the best of us.  
So we lost the only thing that mattered in the end.  
This friendship's slipping away

It seems that we're only chasing after the hopes and  
the dreams we had.  
We don't trust ourselves in the present.  
So we linger on.

You were, you were the beginning, you were the end  
You were, you were my everything  
You were, you were the beginning, you were the end  
You were, you were my everything

Forever isn't long enough when we speak about trust.  
I feel it slipping away.  
(Forever) Forever isn't long enough when we speak  
about love.  
Forever is all slipping away  
(Forever, isn't long enough)  
Forever, isn't long enough...
