Let's fight

We're face to face
Loyalty is what I need to see from you
You're insecure
I can see the fear that breeds in your heart

Where will you run? Where will you hide?
I see the blood drip from your eyes
Who will survive? Let's get it on and we'll fight

I know who you are the leader of lost souls
You can't kill me I'm immortal
I'm not afraid to die my soul will travel on
You can't kill me I'm immortal immortal immortal

I need the rush
There's nowhere you could hide before you die
Why won't you face me?
I can see the fear that's in your eyes

Where will you run? Where will you hide?
I see the blood drip from your eyes
Who will survive? Let's get it on and we'll fight

I know who you are the leader of lost souls

You can't kill me I'm immortal
I'm not afraid to die my soul will travel on
You can't kill me I'm immortal

I know who you are the leader of lost souls
You can't kill me I'm immortal
I'm not afraid to die my soul will travel on
You can't kill me I'm immortal

Where will you run? Where will you hide?
Where will you run? Where will you hide?
Let's fight

I know who you are the leader of lost souls
You can't kill me I'm immortal

I'm not afraid to die my soul will travel on
You can't kill me I'm immortal

I know who you are the leader of lost souls
You can't kill me I'm immortal
I'm not afraid to die my soul will travel on
You can't kill me I'm immortal

You can't kill me, immortal
You can't kill me, immortal
You can't kill me, immortal
You can't kill me
