Let me breathe
Let me breathe

I can't even think right now
Something's got me feeling guilty
Hurt you slowly but so surely
I don't know why love you so much
I can't feel because I'm lost
Not too much matters no more
Is it you, is it me, is it us or is it trust
Or is it trust?

Push you into what I want
Because I am so Goddamn selfish
Left you hanging, stopped relating
I don't know why love you so much
I can't feel because I'm lost
Not too much matters, no more
Is it you, is it me, is it us or is it trust?

I'm so alone, empty and lost
It's easier to let you go
Time will erode the shame and the fault
It's easier to let you go

Is it you, is it me?
It's easier to let you go
Let me breathe
Let me breathe

I can't feel because I'm lost
Not too much matters, no more
Is it you, is it me, is it us or is it trust?
Or is it trust?
Or is it trust?
Or is it trust?

I'm so alone, empty and lost
It's easier to let you go
Time will erode the shame and the fault
It's easier to let you go

It's easier to let you go
Breathe
Let me breathe
Breathe
Breathe
Breathe
