I wanted to know who you really are  
I needed the chance to stitch up my scars  
I'm closer to you then I was in the start  
Come dive right in and tear me apart

I'm trapped and we can't get along  
I thought that I was strong  
We are so unstable  
In bed I'm strung out from your touch  
But I won't give you up  
We are so unstable

I wanted to learn about the dark side of you  
You bring me down like a bottle of pills  
I hate the way that you make me feel  
I keep coming back I never get killed

I'm trapped and we can't get along  
I thought that I was strong  
We are so unstable

In bed I'm strung out from your touch  
But I won't give you up  
We are so unstable

so unstable  
were so unstable x4

I'm trapped and we can't get along  
I thought that I was strong  
We are so unstable  
In bed I'm strung out from your touch  
But I won't give you up  
We are so unstable

I'm trapped and we can't get along  
I thought that I was strong  
We are so unstable  
In bed I'm strung out from your touch  
But I won't give you up  
We are so unstable

your so unstable  
were so unstable  
your so unstable  
were so unstable
