Oh, what a lucky day? Things are going my way
Sun is arising mesmerizing everything I say
People all around this uptight town
Someone's gonna recognize me

Ain't it time? Ain't it time?
Ain't it time? Don't you know it's my time?
Ain't it time? Ain't it time?
Ain't it time?

Dues I've been paying for so long
Only making me stronger
Lady luck won't you please come to me?
I can't wait any longer

I spend all my time writing notes and rhyme
Tryin' to find new dimensions

Ain't it time? Ain't it time?
Ain't it time? Don't you know it's my time?
Ain't it time? Ain't it time?
Ain't it time?

Time for movin' on, time enough to grow
Time enough to find myself
Everything's okay, what a lucky day?
Time enough to play my guitar

Time for movin' on, time enough to grow
Time enough to find myself
Everything's okay, what a lucky day?
Time enough to play my guitar

Competition everywhere
Is getting all of us down
I've been makin' all the rounds
Feel like a train on the wrong track

Don't get lost
'Cause you might get caught
Going out the wrong door now

Ain't it time? Ain't it time?
Ain't it time? Don't you know it's my time?
Ain't it time? Ain't it time?
Ain't it time?

Ain't it time? Ain't it time?
Ain't it time? You know it's my time?
Ain't it time? Ain't it time?
Ain't it time?

Time for movin' on, time enough to grow
Time enough to find myself
Everything's okay, what a lucky day?
Time enough to play my guitar

Time for movin' on, time enough to grow
Time enough to find myself
Everything's okay, what a lucky day?
Time enough to play my guitar
