"Baby Please Don't Go"

If you leave me now, you'll take away the biggest part of me. No baby, please don't go.
If you leave me now, you'll take away the very heart of me. No baby, please don't go.
A love like ours is love that's hard to find. How could we let it slip away?
We've come too far to leave it all behind, how could we end it all this way?
When tomorrow comes we'll both regret things we said today.

Oh girl, just got to have you by my side. No baby, please don't go.
Oh mama, I just got to have your loving, yeah. We've come too far to leave it all behind...
