When I'm with you
It doesn't matter where we are
Or what we're doing
I'm with you, that's all that matters

Time passes much too quickly
When we're together laughing
I wish I could sing it to you, oh no
I wish I could sing it to you

Oh woh, oh woh, oh woh, oh woh
Oh woh, oh woh, oh woh, oh woh
Mostly I'm silent, silent
Never think of the right words to say

When I kiss you
I feel a thousand different feelings
Color of chills
All over my body

And while I feel them
I quickly try to decide which one
I should try to put into words, oh no
Try to put into words

Oh woh, oh woh, oh woh, oh woh
Oh woh, oh woh, oh woh, oh woh
Mostly I'm silent, silent
Silent

Only the beginning of what I want to feel forever
It's only the beginning of what I want to feel forever
Only the beginning, only just a start
I've got to get you into my life, Mama
Got to get you next to me
Only the beginning, only just a start

Only the beginning
Only the beginning
Only the beginning
