Come, let's talk just you and me
For once just let me be
The little boy you used to know
Relive that summer's bliss
Cos they came no more like this
Those were the days
The days when love was still in style

All I ever dreamed I'd be
Is what you are to me
Bigger than Elvis
And for all the missing years
A memory reappears
Bigger than Elvis

I saw you on TV
The king you were to me
Could you feel me watching you
At times my heart got mad
Only heroes are allowed to run free
That they could come back inside of me

All I ever dreamed I'd be
Is what you are to me
Bigger than Elvis
And for all the missing years
A memory reappears
Bigger than Elvis

We know the sadness of goodbyes
It must be the one that's bringing tears to your child's
eyes

Oh, from now on I'll walk with you
Making music like you do
Would you believe I always knew

You were never hard to take
In some mysterious way
Bigger than Elvis
And for all the missing years

Your memory reappears
Bigger than Elvis

Now I've found the missing years
Forgotten all my tears
I've found the missing years
