Caroline
Caroline

There's always people talkin'
Makes their world go 'round
Don't mean ya have to listen
Don't let them get you down

Caroline
Caroline
Everything will be just fine
Caroline
We can work it out this time

You know they're only jealous
They want what they can't have
They never will
Don't let it get ya crazy
'Cause life is just too short for that
And you know it ain't easy
But you know you've gotta let it go

Caroline
Caroline
Everything will be just fine
Caroline
You can work it out this time

Caroline
Everything will be just fine
Oh Caroline
My Caroline
Caroline
Ooh Whoa ooh

Caroline
Caroline
(Repeat)

Caroline
Caroline
We can work it out this time

Caroline
We can work it out this time

You will find out about it just in time
Make yourself common and let it shine
