We can make it better.
We can make it better.
We can make it better.

We can change the world now.
We can change the world now.
We can change the world now.

We can save the children.
We can save the children.
We can save the children.

We can make it happen.
We can make it happen.
We can make it happen.

We can make it happen.
We can make it happen.
We can make it happen.

We can save the children.
We can save the children.
We can save the children.

We can make it happen.
We can make it happen.
We can make it happen
