As I was walking down the street one day
A man came up to me and asked me
What the time was that was on my watch, yeah
And I said

Does anybody really know what time it is?
Does anybody really care?
No I can't imagine why
We've all got time enough to cry

And I was walking down the street one day
A pretty lady looked at me and said
Her diamond watch had stopped cold dead
And I said, yes I said

Does anybody really know what time it is?
Does anybody really care?
No I can't imagine why
We've all got time enough to cry

I was walking down the street one day
Being pushed and shoved by people trying to beat the
clock
Oh, I just don't know, I don't know, I don't know
And I said

Does anybody really know what time it is?
Does anybody really care?
No I can't imagine why
We've all got time enough to die, oh I tell you

If everybody's worried
(I don't care about time)
I don't give a single, I don't care
