As I was walking down the street one day  
A man came up to me and asked me  
What the time was that was on my watch, yeah  
And I said

Does anybody really know what time it is?  
Does anybody really care?  
No I can't imagine why  
We've all got time enough to cry

And I was walking down the street one day  
A pretty lady looked at me and said  
Her diamond watch had stopped cold dead  
And I said, yes I said

Does anybody really know what time it is?  
Does anybody really care?  
No I can't imagine why  
We've all got time enough to cry

I was walking down the street one day  
Being pushed and shoved by people trying to beat the  
clock  
Oh, I just don't know, I don't know, I don't know  
And I said

Does anybody really know what time it is?  
Does anybody really care?  
No I can't imagine why  
We've all got time enough to die, oh I tell you

If everybody's worried  
(I don't care about time)  
I don't give a single, I don't care
