Thought it wouldn't matter if we didn't stay together  
And if it was over, baby it was for the better  
I was thinking I'd be alright til I thought it all through  
Now I know that I ain't really living if I have to live  
without you

I don't wanna live without your love  
I don't wanna face the night alone  
I could never make it through my life  
If I had to make it on my own  
I don't wanna love nobody else  
I don't wanna find somebody new  
I don't wanna live without your love  
I just wanna live my life with you, with you

Guess I have to go away, so much I have to go through  
Guess I had to lose you to realise how much I love you  
Can't we make the fire burn again, burn a little  
stronger  
Cos I feel alone and baby I can't be alone any longer

I don't wanna live without your love  
I don't wanna face the night alone  
I could never make it through my life  
If I have to make it on my own  
I don't wanna love nobody else  
I don't wanna find somebody new  
I don't wanna live without your love  
I just wanna live my life with you

Oh if I have to make it on my own  
My life will never be the same  
My love would never be the same  
I don't wanna live without your love

I don't wanna live without your love  
I don't wanna face the night alone  
I could never make it through my life  
If I have to make it on my own  
And I don't wanna love nobody else  
I don't wanna find somebody new  
I don't wanna live without your love

I just wanna live my life with you

I don't wanna live without your love  
I don't wanna face the night alone  
I could never make it through my life  
If I have to make it on my own  
I don't wanna love nobody else  
I don't wanna find somebody new  
I don't wanna live without your love  
I just wanna live my life with you
