Tonight it's very clear as we're both lying here  
There's so many things I wanna say  
I will always love you  
I would never leave you alone

Sometimes I just forget, say things I might regret  
It breaks my heart to see you crying  
I don't wanna lose you  
I could never make it alone

I am a man who will fight for your honour  
I'll be the hero you're dreaming of  
We'll live forever knowing together  
That we did it all for the glory of love

You keep me standing tall, you'll help me through it all  
I'm always strong when you're beside me  
I have always needed you  
I could never make it alone

I am a man who will fight for your honour  
I'll be the hero you've been dreaming of  
We'll live forever knowing together  
That we did it all for the glory of love

Just like a knight in shining armour  
From a long time ago  
Just in time I'll save the day  
Take you to my castle far away

I am the man who will fight for your honour  
I'll be the hero that you're dreaming of  
We're gonna live forever knowing together  
That we did it all for the glory of love

We'll live forever knowing together  
That we did it all for the glory of love  
Ooh, we did it all for love  
We did it all for love  
We did it all for love  
We did it all for love
