In the middle, of a dream
Thought I saw, sacred love supreme.
So beautiful, yet so obscene
But I'm not sure I'm sleeping.

And in a golden sun,
I saw hitler angels.
A little baby with a big
I saw jesus kissing the devil.

Gonna take some time for me to
Get on this, get on this.
Gonna take an angel's kiss to
Get on this, get on this.
When I go to sleep tonight,
I must remember to close my eyes.

Saw a mother,
Take a needle.
Burning water,
Drowning the pain.
A soft spot for a
She had a baby that had no name.
They say a day will come
When a bright light shines all around you.
I thought new millenium,
Where only happiness will surround you.

Gonna take some time for me to,
Get on this, get on this.
Gonna take an angel's kiss to
Get on this, get on this.
When I go to sleep tonight,
I must remember to close my eyes.

Since I
The world upside down,
Life is a
Still the world.....

And in a full moon's sun,
I saw making some ashes,
Beside a bonfire of babylon.

.....
