Tonight it's very clear
As we're both lying here
There's so many things i wanna say
I will always love you
I would never leave you alone
Sometimes I just forget
Say things I might regret
It breaks my heart to see you cryin'
I don't wanna lose you
I could never make you be alone
I am the man who would fight for your honor
I'll be the hero you're dreamin' of
We'll live forever
Knowing together that we
Did it all for the glory of love
You keep me standing tall
You helped me through it all
I'm always strong when you're beside me
I have always needed you
I could never make you be alone
I am the man who will fight for your honor
I'll be the hero you been dreamin' of
We'll live forever
Knowing together that we
Did it all for the glory of love
Like a knight in shining armor
From a long time ago
Just the time I'd save the day
Take you to my castle far away
I am the man who would fight for your honor
I'll be the hero that you're dreamin' of
Gonna live forever
Knowing together that we
Did it all for the Glory of Love
We'll live forever
Knowing together that we
Did it all for the Glory of Love
We did it all for love
