Everybody needs a little time away
I heard her say, from each other
Even lovers need a holiday
Far away from each other

Hold me now
It's hard for me
To say I'm sorry
I just want you to stay

After all that
We've been through
I will make it up to you
I promise to

And after all that's
Been said and done
You're just the part of me
I can't let go

Couldn't stand to be kept away
Just for the day, from your body
Wouldn't wanna be swept away
Far away from the one that I love

Hold me now
It's hard for me
To say I'm sorry
I just want you to know

Hold me now
I really want to
Tell you I'm sorry
I could never let you go

After all that
We've been through
I will make it up to you
Promise to

And after all that's
Been said and done

You're just the part of me
I can't let go

After all that
We've been through
I will make it up to you
I promise to

You're gonna be the lucky one

When we get there
Gonna jump in the air
No one'll see us
Cause there's nobody there

After all, you know
We really don't care
Hold on, I'm gonna take you there
