"Everybody needs a little time away," I heard her say,
"from each other."

"Even lover's need a holiday far away from each
other."

Hold me now. It's hard for me to say I'm sorry. I just
want you to stay.

After all that we've been through, I will make it up to
you. I promise to.

And after all that's been said and done,
You're just the part of me I can't let go.

Couldn't stand to be kept away just for the day from
your body.

Wouldn't wanna be swept away, far away from the one
that I love.

Hold me now. It's hard for me to say I'm sorry. I just
want you to know.

Hold me now. I really want to tell you I'm sorry. I could
never let you go.

After all that we've been through, I will make it up to
you. I promise to.

And after all that's been said and done,
You're just the part of me I can't let go.

After all that we've been through, I will make it up to
you. I promise to.

You're gonna be the lucky one.
