America needs you
Harry Truman
Harry could you please come home?
Things are lookin' bad
I know you would be mad
To see your favorite men
Prevail upon the land you love

America's wondering
How we got here
Harry all we get is lies
We're gettin' safer cars
Rocket ships to mars
From men who'd sell us out
To get themselves a piece of power

We'd love to hear you speak your mind
In plain and simple ways
Call a spade a spade
Just like you did back in the days
You would play piano
Each mornin' walk a mile
Speak of what was goin' down
With honesty and style

America's calling
Harry Truman
Harry you know what to do
The world is turnin' round and losin' lots of ground
Oh Harry is there somethin'
We can do to save the land we love?
Oh whoa whoa whoa

America's calling
Harry Truman
Harry you know what to do
The world is turnin' 'round
And losin' lots of ground
Harry is there somethin'
We can do to save the land we love

Oh, Harry is there somethin'

We can do to save the land we love
Harry
Harry is there somethin'
We can do to save the land we love
