I keep on thinking,
I should be free,
this time just sleepin' alone,
..with 17 reasons,
not to believe,
nothing goes, everybody knows,
like you always wanted to be,
chorus::
but here in my heart..
theres a dream thats unbroken,
and it gets in my way,
but it wont be denied,
oooh here in my heart,
the door is still open,
waiting for you,
to walk into my life,
what I've been feeling,
I cant explain,
lost in the blues of your eyes,,
and im falling so hard!
.just like the rain..
comes a time when you cross the line
and you know you got to believe..
chorus::
cause here in my heart,
theres a dream thats unbroken,
and it gets in my way,
but it wont be denied,
oooh here in my heart,
the door is still open,

waiting for you..
to walk into my life..
i know..i may never sleep again..
till i see you..
oh baby i know, (i know)
life is too short,
and I cant pretend.
its not about you.. (not about you..)
cant do without you..
chorus::
but here in my heart..

theres a dream thats unbroken,
and it gets in my way, (gets in my way)
but it wont be denied,
ooh here in my heart, (here in my heart)
the door is still open,
waiting for you,
to walk into my life,
theres a dream thats unbroken
it gets in my way..
but it wont be denied
here in my heart..
the door is still open,
waiting for you..
to walk into my life..
(in my life)
(in my life)
(in my life)
(in my life).....
