I cant fight this feeling any longer
Yet, I'm still afraid to let it flow
What started out as friendship has grown stronger.
I only wish I had the strength to let it show.

I tell myself that I can't hold out forever.
I say there is no reason for my fear.
'Cause I feel so secure when we're together.
You give my life direction, you make eveything so
clear.

Even as I wander, I'm keeping you in sight.
You're a candle in the window on a cold dark winter's
night.
And I'm getting closer than I ever though I might.

And I can't fight this feeling anymore.
I've forgotten what I started fighting for.
It's time to bring this ship into the shore.
And throw away the oars forever.
'Cause I can't fight this feeling anymore.
I've forgotten what I started fightin' for.
And if i have to crawl upon the floor.
Come crashing through the door.
Baby I can't fight this feeling anymore.

My life has been such a whirl wind since I saw you.
I've been running around in circles in my mind.
And it always seems that I'm following you girl.
'Cause you take me to the places that I thought I'd
never find.

Even as I wander, I'm keeping you in sight.
You're a candle in the window on a cold dark winter's
night.
And I'm getting closer than I ever though I might.

And I can't fight this feeling anymore.
I've forgotten what I started fighting for.
It's time to bring this ship into the shore.
And through away the oars forever.
'Cause I can't fight this feeling anymore.

I've forgotten what I started fightin' for.
And if i have to crawl upon the floor.
Come crashing through your door.
Baby I can't fight this feeling anymore.

oohhhh!!!!
