If I should lose you, it wouldn't be the ending
I wouldn't lose my way, I'd be okay, life goes on
There are no guarantees

If I should lose you, I would embrace my freedom
Or find somebody else eventually, I'd be strong
I'd live with tragedy

But I don't ever wanna face that day
Never let love slip away
And I'll do anything to keep us safe
Keep us together, don't ever want to lose your love

(I don't wanna lose)
It's never easy, feels like the world's still falling
It seems like everything's opposed to love, still we try
'Cause love is all there is

But I don't ever wanna face that day
Never let love slip away
And I'll do anything to keep us safe
Keep us together, don't ever want to lose your love
(Never wanna lose your love)

Times are tough, temptation everywhere

I don't ever wanna face that day
Never let love slip away
No one ever made me feel this way
Love's what I'm after, love's all that matters

I don't ever wanna face that day
Never let love slip away
'Cause without you
Nothing in the world would be the same
Ooh, life would go on, ain't it all wrong
If I should ever lose your love

Never wanna lose your love
No one ever made me feel this way
No one ever made me feel this way

Never wanna lose your love

Don't wanna lose
Don't wanna lose
Don't wanna lose
Don't wanna lose your love
Never wanna lose your love

Don't wanna lose
Don't wanna lose
Don't wanna lose
Don't wanna lose your love
Never wanna lose your love
