If you leave me now, you'll take away the biggest part
of me

Uh uh uh uh no baby please don't go

And if you leave me now, you'll take away the very
heart of me

Uh uh uh uh no baby please don't go

Uh uh uh uh girl I just want you to stay

A love like ours is love that's hard to find

How could we let it slip away

We've come too far to leave it all behind

How could we end it all this way

When tomorrow comes and we'll both regret

The things we said today

A love like ours is love that's hard to find

How could we let it slip away

We've come too far to leave it all behind

How could we end it all this way

When tomorrow comes and we'll both regret

The things we said today

If you leave me now, you'll take away the biggest part
of me

Uh uh uh uh no baby please don't go

Uh girl, just got to have you by my side

Uh uh uh uh no baby, please don't go

Oh mama, I just got to have your lovin, yeah
