(Terry:)  
Well my Daddy sent a message  
'bout the whiskers on my chin  
Never had no problems  
'cause I've always paid the rent  
I got no time for lovin'  
'cause my time is all used up  
I spend that time creatin'  
For some groovy kinds of love

I'm a man, yes I am, and I can't help but love you so  
I'm a man, yes I am, and I can't help but love you so

(Peter:)  
If I had my choice of matter  
I'd rather be content  
Being closer to the chatter  
Than where your mind is at  
While relating to each other  
How strong your love will be  
'cept that only sometimes  
Groovy chicks you see

I'm a man, yes I am, and I can't help but love you so  
I'm a man, yes I am, and I can't help but love you so

(Robert:)  
I've got to keep my image  
While I'm standing on the floor  
If I drop upon my knees  
It's just to keep her on my nose  
You think that I'm not human  
And my heart is made of stone  
But I've never had no problems  
And my body's pretty strong

I'm a man, yes I am, and I can't help but love you so  
I'm a man, yes I am, and I can't help but love you so

I'm a man, yes I am, and I can't help but love you so  
Man, yes I am, and I can't help but love you so  
Oh God I love you so, I love you so

(Peter:)

If I had my choice of matter  
I'd rather be content  
Playing closer to the chest  
Knowin' where your mind is at  
While relating to each other  
How good your love can be  
Resisting only sometimes groovy chicks you see

I'm a man, yes I am, and I can't help but love you so  
I'm a man, yes I am, and I can't help but love you so

(Robert:)

I gotta keep my image  
While I'm standin' on the floor  
If I drop upon my knees  
It's just to keep them on my nose  
You think that I'm not human  
And my heart is made of stone  
But I never had no problems  
And my body's pretty strong

I'm a man, yes I am, and I can't help but love you so  
Man, yes I am, and I can't help but love you so  
Man, yes I am, and I can't help but love you so  
Man, yes I am, and I can't help but love you so
