you are my love and my life,
you are my inspiration.
just you and me.
simple and free.
baby your everything, i ever dreamed of.
yea, yea.
give me your own special smile,
promise you'll never leave me.
just you and me.
simple and free.
life is so easy, when your beside me.
oh girl.

come hold me close, never release me.
oh, baby don't release me.
open your arms, let my love in.
let me in, let me in.
love me tonite, love me forever and ever.
you know i can't forget you.

you are my love and my life, you are my inspiration.
just you and me.
simple and free.
baby your everything, i've ever dreamed of.
yea, yea
