You don't know how bad it's been  
Since you been gone  
Let me tell you how bad it's been  
Since you been gone

People speak but I don't hear  
Things all around seem so unclear  
I don't know  
What will become of the need you turned off?

Loneliness is just a word  
So I been told  
Loneliness becomes a world  
That's very cold

People stare but they don't see  
All of the hurt that's inside me  
I don't know

Loneliness is just a word  
So I been told  
Loneliness becomes a world  
That's very cold

People stare but they don't see  
All of the hurt that's inside me  
I don't know, I don't know, I don't know
