Oooh Yeah
Chicago

If love is a crime baby
I'd do my time
Whether it's wrong or right
You can sentence me to life
If love is a crime baby
I'd do my time
Whether it's wrong or right
You can sentence me
Sentence me to life

Some might say I'm guilty of love in the first degree
If the jury wants to lock me up and throw away the key
There's no greater punishment than what I face inside
Won't tamper with the evidence cause there's nothing
to hide

He lives inside my heart
I'm in the middle too
You never had a clue
Unless you felt it too

If love is a crime baby
I'd do my time
Whether it's wrong or right
You can sentence me to life
If love is a crime baby
I'd do my time
Whether it's wrong or right
You can sentence me
Sentence me to life

Swear tell the truth, just let me plead my case
The thief who stole my heart from me I couldn't let
escape
He's my only alibi, but I won't drop a dime
So how can I give up to you, my partner in crime

He lives inside my heart
I'm in the middle too

You never had a clue
Unless you felt it too

If love is a crime baby
I'd do my time
Whether it's wrong or right
You can sentence me to life
If love is a crime baby
I'd do my time
Whether it's wrong or right
You can sentence me
Sentence me to life

You can take away my freedom
But you can't take my love from me
I won't die a lonely prisoner
'Cause my heart will set me free
Ooh ooh yeah
Whooh!
