She said, "it's lonely here tonight." she's always sad
when she's alone.

She said, "i need you here tonight." she couldn't wait
'til I get home.

She loves me, and that's all I need to know.

She's part of my life; just a part I won't let go.

Then she said,

"love me tomorrow. won't you please promise me? love
me tomorrow like today.

Love me tomorrow; hurry back. can't you see I need
you much more than

Yesterday? "

You know it's always cold at night; it's always lonely 'til
the dawn.

And though it's not what we both want, knowing she's
there, I'll carry on.

Because she loves me, and that's all I need to know.

She's part of my life; just a part I won't let go.

Then she said,

"love me tomorrow. won't you please promise me? love
me tomorrow like today.

Love me tomorrow; hurry back. can't you see I need
you more than any words can

Say? "

She loves me, and that's all I need to know.

She's part of my life; just a part I won't let go.

Then she said,

"love me tomorrow. won't you please promise me? love
me tomorrow like today.

Love me tomorrow; hurry back. can't you see I need
you much more than

Yesterday? "

Love me tomorrow; love me tomorrow like today.

Love me tomorrow; I need you much more than
yesterday
