She said, "It's lonely here tonight." She's always sad  
when she's alone.  
She said, "I need you here tonight." She couldn't wait  
'til I get home.  
She loves me, and that's all I need to know.  
She's part of my life; just a part I won't let go.  
Then she said,

"Love me tomorrow. Won't you please promise me?  
Love me tomorrow like today.  
Love me tomorrow; hurry back. Can't you see I need  
you much more than  
yesterday?"

You know it's always cold at night; it's always lonely 'til  
the dawn.  
And though it's not what we both want, knowing she's  
there, I'll carry on.  
Because she loves me, and that's all I need to know.  
She's part of my life; just a part I won't let go.  
Then she said,

"Love me tomorrow. Won't you please promise me?  
Love me tomorrow like today.  
Love me tomorrow; hurry back. Can't you see I need  
you more than any words can  
say?"

She loves me, and that's all I need to know.  
She's part of my life; just a part I won't let go.  
Then she said,

"Love me tomorrow. Won't you please promise me?  
Love me tomorrow like today.  
Love me tomorrow; hurry back. Can't you see I need  
you much more than  
yesterday?"

Love me tomorrow; love me tomorrow like today.  
Love me tomorrow; I need you much more than  
yesterday
