

## Chicago "Manipulation"

You thought, you had me in your pocket  
But I never could be bought  
I avoided traps you set out  
Too many have been caught

Be it love or be it money  
It's the bait you must resist  
Be it milk or be it honey  
This is one boy, you have missed

You knew if you could win me over  
I would always see your side  
Any argument against you  
I'd never let it ride

I defended with devotion  
I believed what you had said  
But you dealt without emotion  
Something happened in your head

Be it love or be it money  
It's the bait you must resist  
Be it milk or be it honey  
This is one boy, you have missed
