

Chicago "Night & Day"

Night and day, you are the one
Only you beneath the moon, under the sun
Whether near to me or far
It's no matter darlin' where you are
I think of you night and day

Night and day, why's it so
That this longing for you, follows wherever I go
In the roaring traffic's boom
In the silence of my lonely room
I think of you, night and day

Night and day, under the hide of me
There's an old, such a hungry yearning, burning inside
of me
And this torment won't be through
Till you let me spend my life making love to you
Day and night, night and day
