Pretty smile, lovely face and a warm breeze
Now I need you lady
You're my no tell lover

Every night in a different place
I'll meet you tender lady
You're my no tell lover

Everyone keeps tellin' me
That this affair's not meant to be
Even though I need you night and day

Walk away if you see me coming
Even though it's you I'm lovin'

Every minute is an hour
Every day's a lonely lifetime
You're my no tell lover

Little time that we spend together
Just can't last forever
You're my no tell lover, yeah

Everyone keeps tellin' me
That this affair's not meant to be
Even though I need you night and day

Walk away if you see me coming
Even though it's you I'm lovin'

I want her, I can't leave her
I won't live without her
There's nothing left to say
I want her, I can't leave her

Pretty smile, lovely face and a warm breeze
Now I need you lady
You're my no tell lover, yeah

And every night in a different place
I'll need you tender lady
You're my no tell lover

Everyone keeps tellin' me
That this affair's not meant to be
Even though I need you night and day

Walk away if you see me coming
Even though it's you I'm lovin'

I want her, I can't leave her
I won't live without her
She's my no tell lover

I want her, I can't leave her
I won't live without her
She's my no tell lover
