He was lost, uncertain only she could see  
He was waiting for the night to end  
And with just one kiss  
Brought him back into the light again

He said, "Nothin's gonna stop us now"  
He said, "Baby, nothing's gonna stop us now"

But tonight, she's waiting  
For a strangers touch at the dark end of a street  
And the whispered words from the sidewalk  
They sound so sweet

She said, "Nothin's gonna stop us now"  
She said, "Baby, nothin's gonna stop us now"

Look out now, 'cause she'll break your heart again  
No one sees what the years have failed to mend, yea  
Standin' there beneath the street lights  
Tellin' secrets in the darkest night  
Heaven's just a stolen kiss away, yea

Aah  
Nothin's gonna stop us now

Look out now, 'cause she'll break your heart again  
No one sees what the years have failed to mend, yea  
Standin' there beneath the street lights  
Tellin' secrets in the darkest night  
Heaven's just a stolen kiss away, yea

And her look, it lingers  
On a restless night  
When you're back on the street again  
With his empty dreams  
There's another broken heart to mend

He said, "Nothin's gonna stop us now"  
(Woh uh oh)  
Nothin's gonna stop us now

Nothin's gonna stop us

(Woh)  
Nothin's gonna stop us now

Nothin's gonna stop us  
(Woh)  
Nothin's gonna stop us now

Nothin's gonna stop us  
(Woh)  
She said, "Nothin's gonna stop us now"  
Oh, my pretty baby  
(Woh uh oh)  
Nothin's gonna stop us now
