(Cetera Peter)

One more sad tomorrow
And I'm not very good
At hiding my sorrow
It's not the same without you
So alone and so afraid
I thought we had it made
What about us
What about the way
We were so in love
When we were together
I thought you'd never leave
Now I know this time you're gone, forever

(CHORUS)

Only love can break your heart
Fill you with desire
And tear you all apart
Only love can make you cry
Only love knows why
One more night without you
I'm just trying to pretend
That you're coming back again
You know I never meant to doubt you (Oh no ..)
We were young and we were free
Now I can't believe this could happen to me
What about us
What about the way
We were so in love
When we were together
I thought you'd never leave
Now I know this time you're gone, forever

(CHORUS)

(BRIDGE)

Tell me who will I turn to
When I get in trouble
Oh babe I don't want you to go
Tell me who can I turn to
When I get in trouble
Baby please don't leave me
Can't you see you must believe me

(CHORUS)
