If the people only knew  
If they could visualize  
Just open their eyes  
Even stop to think about  
If they could open their minds  
They could get beyond  
The world's a funny place you know  
Most of what goes on  
Is rarely funny  
Rarely funny

Could the people understand  
In only whisper and screams  
And colorless dreams  
Could they finally comprehend  
If they could suddenly see  
And suddenly feel

The world's a funny place you know  
Most of what goes on  
Is rarely funny  
Rarely funny
