Make Me Smile:

Children play in the park, they don't know
I'm alone in the dark, even though
Time and time again I see your face smiling inside
I'm so happy
That you love me
Life is lovely
When you're near me
Tell me you will stay
Make me smile
Living life is just a game so they say
All the games we used to play fade away
We may now enjoy the dreams we shared so long ago
Oh my darling, got to have you. Feel the magic when I
hold you
Cry sweet tears of joy, touch the sky

So Much To Say, So Much To Give:

So hard to be
Free to
Love only you
People
Starin' at me
Try to
Take you away
There's no
Time to delay
We've got to live for today
I've got
So much to give
There is
So much to say
Night after night
Day after day
In spite of our words
They all turn away

Anxiety's Moment:

West Virginia Fantasies:

Colour My World:
As time goes on,
I realize
Just what you mean
To me
And now,
Now that you're near,
Promise your love
That I've waited to share
And dreams
Of our moments together
Colour my world with hope of loving you

To Be Free:

Now More Than Ever:
Now I need you
More than ever
No more cryin'
We're together
Tell me you will stay
Make me smile
