Tomorrow is teasing me
Time seems to run away from the future
But this could be that lucky day

A dream is make believe until
Blood, sweat, and tears turn faith to will
It's gonna take some miracle man
To show there's a way

I'm gonna take the Stone of Sisyphus
I'm gonna roll it back to you
Building a wall of stone

Sometimes you know what's right
Sometimes wrong is better than nothing
They cast a stone so heavy to turn

I believe in a love so true
I believe you get what's coming to you
We get so tired of living a dream
For some other day

I'm gonna take the Stone of Sisyphus
I'm gonna roll it back to you
Wall of stone around the two of us
That only angels can break through

Looks like it's another of those lonely nights
Will we always be alone
That's never kept me from you
That's never stopped me from the fight

I'm gonna take the Stone of Sisyphus
I'm gonna roll it back to you
I'll take the Stone of Sisyphus
Wall of stone ?round the two of us
I'm gonna roll it back to you

I'm gonna take the Stone of Sisyphus
A wall of stone around the two of us
I'm gonna take the Stone of Sisyphus
A wall of stone around the two of us
