Vote for me, vote for me  
I want the nomination for the Presidency  
Vote for me, vote for me  
If I am elected, this is how it will be

I'll cut your tax in half, I'll make the Russians laugh  
I'll feed the hungry people everywhere  
I'll bring the railroads back, new trains and new track  
From Waikiki to old Delaware

Vote for me, vote for me  
I want the nomination for the Presidency  
Vote for me, vote for me  
If I am elected, this is how it will be

Joys from you, new cars that run on beer  
Or anything except gasoline  
I'm looking to the sun, more power for everyone  
And the cleanest skies that you've ever seen

I'm don't wanna kid you, there's a lot to do, yeah, yeah  
Little I can promise, it's really up to you  
If we all work together and I think we can, yeah  
And if you want some new ideas, I'm your man

Vote for me, vote for me  
I want the nomination for the Presidency  
Vote for me, vote for me  
If I am elected, this is how it will be

I'll work for global peace and the sweet release  
Of the love and human kindness in us all  
I would give all I've got, you just give me a shot  
Somehow, I know that I can win in the fall

Vote for me, you got to vote for me  
I'm a winner, baby  
I am the man, yes, I am  
Here I am, I'll do everything I can

Well, I'm a winner  
Yes, I'm a winner, baby, yeah

Cheap common , baby, comin' in  
Now, won't you give me a chance?

You missed the cash  
I wanna see some chicks in the mess  
Talk about money

Come on, baby  
Twist and shout  
'Cause I'm a winner, baby, baby  
Yes, I am a winner  
I'm a winner, baby  
You got to vote for me, vote for me, vote for me
