You are on my mind  
The echo of your laughter flowing through me  
Sitting by a mountain fire  
And wishing you were in my arms  
And loving me completely  
Rocky mountain highs are very nice  
But you are gone and nothing's quite the same  
L.a. is so far away and I can't  
Stand another day  
Without you by my side  
Though I've tried, tried, tried

You are on my mind  
You are everything a woman could be  
Consequently I believe that no one  
Else could take your place if you  
Should ever leave me  
I'll be coming home again to you  
And look upon the woman that I love  
There is nothing I can say that celebrates  
The special way you keep me satisfied  
Pretty girl

(break)  
Feeling just a little lonely  
Wishing you were in my arms  
Yeah...

You are on my mind  
The echo of your laughter flowing through me  
Sitting by a mountain fire  
And wishing you were in my arms  
And loving me completely  
Rocky mountain highs are very nice  
But you are gone and nothing's quite the same  
L.a. is so far away and I can't  
Stand another day  
Without you by my side  
Keep the fires burning

Keep the fires burning on  
Keep the fires burning on

Keep the fires burning on  
Keep the fires burning on
