You know our love was meant to be  
The kind of love that lasts forever  
An' I want you here with me  
From tonight until the end of time  
You should know, everywhere I go  
Always on my mind, in my heart, in my soul, baby

You're the meaning in my life  
You're the inspiration  
You bring feeling to my life  
You're the inspiration  
Wanna have you near me  
I wanna have you hear me sayin'  
No one needs you more than I need you

And I know, yes I know that it's plain to see  
So in love when we're together  
Now I know that I need you here with me  
From tonight until the end of time  
You should know, everywhere I go  
(Yes you need to know)  
Always on my mind, you're in my heart in my soul

You're the meaning in my life  
You're the inspiration  
You bring feeling to my life  
You're the inspiration  
Wanna have you near me  
I wanna have you hear me sayin'  
No one needs you more than I  
(No one needs you more than I)  
(Ooh oh oh oh oh oh oh ooh)

Wanna have you near me  
I wanna have you hear me sayin'  
No one needs you more than I need you  
(I need you more)  
You're the meaning in my life  
(Ah ah ah ah)  
You're the inspiration  
(Ah ah ah ah)  
You bring feeling to my life

(Ah ah ah ah)  
You're the inspiration

When you love somebody  
Till the end of time  
When you love somebody  
Always on my mind  
(No one needs you more than I)

When you love somebody  
Till the end of time  
When you love somebody  
Always on my mind  
(No one needs you more than I)

When you love somebody  
Till the end of time  
When you love somebody  
Always on my mind
