"I Love You"

Yeah, I love You
Yeah, I need You
Yeah, I need the truth,
Yeah, I need the love from You.

Sometimes it hurts,
Sometimes I laugh, I laugh,
Sometimes I feel,
Sometimes I need,
To dance, to sing, to praise the Lord,
To praise the Lord.

Yeah, I need Your love,
Yeah, I need dreams from you,
Yeah, I know the call,
Yeah, the vision of my life.

Yeah I'm dancing and singing the song for You, Yes for
You.
My heart is filled with love,
With love to the King, to the King.

Right now I'm feeling good,
Right now I need to dance,
Stand up for the King,
Stand up for the Lord.
