

Leviticus "Love Is Love"

Visit "[Love Is Love](#)" on MotoLyrics.com

Love is kind and never jealous
Never boastful or proud
Never haughty, selfish or rude
Love doesn't demand, demand it's own way

Love is love and rejoice in the truth
Love is love and believes in you
Never haughty, selfish or rude
Love doesn't demand, it's own way
Love doesn't delight in evil
But always believes, always trusts
And always hopes
Love doesn't demand, it's own way

It's never glad about injustice
But rejoices whenever truth wins it's way
Love is between a man and a woman
Love is between you and I
