Listen in silence before me  
Oh lands beyond the sea  
Bring your strongest arguments  
Come now and speak  
The court is ready for your case  
Who has stirred up this one  
From the east whom victory  
Meets at every step?

It's I, the Lord, I'm the first and the last

God has given him victory  
Over many nations  
And permitted him  
To trample kings underfoot  
To put entire armies to the sword

Who has done such mighty deeds  
Directing the affair of generations  
Of mankind as they march by?

See all your angry enemies  
Lie confused and shattered  
Anyone opposing you will die  
You will look for them in vain  
They will all be gone  
I am holding you by your right hand  
I, the Lord your God  
And I say to you, don't be afraid
